CHICAGO HEIGHTS TERMINAL TRANSFER R. R. CO.

OFFICE OF SUPERINTENDENT.

G. M. WEST,
SUPERINTENDENT.

CHICAGO HEIGHTS, ILL., April 28th, 190__

Hon L. M. Ware,

Tallahassee, Florida.

My dear Ware:-

Can you send me copy of bill introduced in the House and Senate entitled "An act to authorize the Birmingham, Columbus and St Andrews Railroad Company to construct, maintain, and operate a railroad from the waters of St Andrews Bay, on the Gulf of Mexico, in Washington County, Florida, to the Alabama and Florida line, and for other purposes."? If it is published I thought you could send it, or if in the Daily Proceedings in full I might obtain it through your sending that.

What do you learn of railroad matters? The first of the month is gone and I do not see anything materializing in the way of construction on that line asthey stated they would be doing. In fact I find it hard work to invest capital to the extent of 750.000 dollars, but we are still at it, and hopeful. say nothing as to this however. Please let me know what you hear, and what you think of our getting a charter of our own? I think we might be ale to do something with that if all else fails. We should take in Apalachicola, Wewahitchka, St Joseph, Saint Andrews, and then north to the Dothanconnections.

truly yours
